

ENVIRONMENTAL POLICY

As FPS Flexibles Packaging Solutions operating in flexible industrial packaging industry, we are committed to continuously improve our Environmental Management System and to work hard to leave a livable environment for future generations.

In this direction, we follow below principles:

- To fulfill all the legal and other requirements that we are obliged to comply with regarding the environment
- To reduce waste generation, to support recovery and recycling
- To use energy and natural resources efficiently
- To minimize negative environmental impacts in all processes with a life-cycle approach
- To increase the environmental awareness of our employees and business partners
