

HALAL MANAGEMENT SYSTEM POLICY

FPS Turkey is committed to fulfilling halal compliance requirements, customer expectations, applicable legal regulations, and relevant standard requirements throughout all its operations and processes.

Within this scope, our company undertakes to:

- Ensure the halal compliance of raw materials, auxiliary materials, packaging materials, and processes used in our products;
- Effectively implement, maintain, and continually improve the Halal Management System;
- Identify and control risks that may compromise halal integrity;
- Prevent risks of cross-contamination, contamination, and non-conformities;
- Evaluate and monitor the halal compliance requirements of our suppliers;
- Conduct regular training programs to enhance halal awareness of employees;
- Carry out production activities in compliance with Islamic principles, relevant standards, and applicable legal requirements;
- Prioritize customer satisfaction and trust;
- Establish transparent and reliable communication with all stakeholders;
- Regularly evaluate the performance of the Halal Management System through Management Review Meetings.

This policy is adopted, implemented, and sustained by all our employees to ensure its ongoing effectiveness and sustainability.
